# CAR AND TRUCK WASH

## Product Data Sheet

### **Product Description:**

- Car & Truck Wash is a non-flammable, fully biodegradable liquid soap concentrate and is 100% water soluble - even in cold water. The solutions will remove oily road film, light grease spots, bugs and dirt. The Car & Truck Wash is gentle on painted and waxed surfaces and is completely non-abrasive.

### **Product Data:**

Physical state: Liquid

Liquid density: 1.05 – 1.07 g/ml

PH: no data

Vapour pressure: no data

Boiling point: no data

Freezing point: do data

Solubility in water: 100%

Evaporation rate: no data

Odour and appearance: The product is a clear, viscous liquid solution with a slight amber colour. The product will foam with agitation. There is a blended odour above the open liquid.

### **Directions:**

- Car and Truck Wash can be applied with a sponge, brush or through a foamer to the affected surface. Car & Truck Wash is also an excellent soap for use in the foaming brush stage of coin operated wash bays.
