# ORANGE POWER

## Product Data Sheet

### **Product Description:**

Orange Power is a water-based, non-toxic and completely biodegradable multi-purpose cleaner and degreaser. It is a combination of natural citrus solvents and advanced wetting agents that provide superior dirt removal and oil emulsification.

### **Product Data:**

Physical state: Liquid

Liquid density: 1.01 – 1.04 g/ml

pH: no data

Vapour pressure: no data

Boiling point: no data

Freezing point: no data

Solubility in water: 100%

Evaporation rate: no data

Odour and appearance: This product is a clear, liquid solution with a bright orange colour. The product will foam with agitation. There is a citrus odour above the open liquid.

### **Directions:**

- Use undiluted for heavy duty cleaning.
- Dilute as necessary for lighter dirt and oils.
- For hard to remove stains, allow to sit for 5-10 minutes.
- Manual scrubbing may be necessary.
